

Stampin' Up! paper uses

Paper	Use
Cardstock 8 1/2" x 11" <ul style="list-style-type: none"> • available in 50+ colours • colour families, white, vanilla and black available in 12" x 12". 	Multipurpose and the backbone of most paper projects. Heavy weight cardstock, with colour all the way through. Perfect for cardbases, page layouts and 3D projects. 
Basic White Thick 8 1/2" x 11"	Basic White Thick ideal for projects that need a sturdier base- cards with lots of layers, 3D items, or items where extra durability is needed.
Glimmer paper	Add shimmer and shine to your projects. Cut with dies or punches to make accents for your paper projects.
Foil Sheets	Perfect for creating foil accents and adding shimmer to projects. Cute easily with punches or dies.
Vellum	Translucent. Heat or dry emboss for a unique look. Frame photos, stamped images, or punch/die cut pieces. <u>Use for alcohol marker techniques.</u>
Velvet paper Basic White- 12" x 12"	This velvet textured paper is a lovely addition to your tool box. Punch or die cut- embosses beautifully.
Shimmery White 12" x 12"	Great for stamping and colouring. Adds a subtle shimmer to your projects.
Fluid 100 Watercolour paper 5" x 7"	Use for watercolouring applications, including watercolour with Stampin' Up! reinkers or ink pads.
Window sheet	Clear plastic sheet, use for a floating effect, or for a unique card base.
